

- Members are connected to an active network of professionals committed to addressing body image and eating concerns in the field;
- Significant reduction in registration fees to the ANZAED Annual Conference. This provides members with the opportunity to present their clinical and research work, discuss issues that have arisen for them with informed colleagues, share ideas and learn about advances in the field within Australia and internationally. Conference abstracts will be published on our website;
- Access to the ANZAED online Discussion Board which provides an ongoing opportunity to discuss and share information. Our Discussion Board provides a forum which connects all members via immediate communication and provides the opportunity to gain feedback and insight from other members;
- Access to the Minutes of the monthly ANZAED Executive meeting through the online Discussion Board, enabling members to keep up to date with developments within the organisation;
- Reduced rates for continuing education activities conducted by ANZAED and ANZAED partner organizations. ANZAED is developing closer links with international bodies such as the Academy for Eating Disorders (AED), which will result in wider collaboration and shared events in which ANZAED members can participate;
- Opportunity to apply for ANZAED scholarships and grants;
- Opportunity to advertise for research participants on the ANZAED website and Discussion Board;
- Use of the ANZAED Employment Advertising Service which provides all members with the opportunity to advertise job openings within their organisation on the ANZAED website homepage and Discussion Board;
- Voting rights at the AGM
- Access to quarterly member-only newsletter
